

# Newlands Basketball Club Registration Form

The Newlands Basketball Club aim to actively engage and involve our local community in the benefits of participating, supporting and enjoying all aspects of basketball.

Our mission is to provide opportunities for everyone to experience the excitement and joy of the game.

We will teach skills associated with our sport, teach our members to be team players and provide training and games at safe and healthy venues.

We are a voluntary organisation and all parents will also contribute to the success of the club. We, as parents do this by offering our help, skills and time in many different ways and capacities in a way that suit our busy schedules, at the game, training and other activities including fundraising.

## Parents, spectators & coaches code of conduct

1. **Children play organised sports for fun.** They are not miniature professionals. They are not playing for the entertainment of spectators only.
2. **Applaud** good performances and efforts by your team AND the opponents. **Congratulate** BOTH teams upon their performance regardless of the game's outcome. **Show respect** for your children's opponents.
3. **Encourage** players to play according to the rules and the official's decisions. **Respect** the official's decision and teach the children to do likewise. If there is a disagreement, follow the appropriate procedure in order to question the decision
4. **Positive** comments are motivational. Look for what the child is doing well and tell them so.
5. **Never ridicule or scold** a child for making a mistake in a competition.
6. **Demonstrate appropriate social behaviour** by not using foul language, harassing players, coaches or officials. Always look for something good to say about the situation.
7. **Condemn** the use of violence in any form, be it from coaches, spectators, officials or players.

Parents are responsible to make sure that the children are fully supervised before and after basketball games. While Newlands makes every effort to keep players away from dangers, it is not our responsibility to child mind. Please make sure that children are supervised at all times. Any damage caused by unsupervised players is the responsibility of their parents/guardians.

Parents should consider how they can contribute to the club, and be prepared to find out how you can give some of your time, expertise or support. There are a multitude of ways to help and assist the children to have fun, develop their skills and ensure that everyone gets a go and knows what's going on.

We are all volunteers. We have an expectation and believe that every parent can share the load of making this a successful club by helping out. Choose how you would like to do it.
